#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Cerritos College Foundation Cerritos, California

> We have audited the accompanying financial statements of Cerritos College Foundation (the "Foundation") which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

# **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cerritos College Foundation as of June 30, 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES**

## A. Organization

Cerritos College Foundation (the "Foundation"), is a nonprofit public benefit corporation incorporated in the State of California in 1979, and organized to assist in the achievement and maintenance of a superior program of public education and community participation within the community by receiving contributions from the public, raising funds, and making donations to educational, arts, cultural, athletic, and other programs of the College. The principal source of income for the Foundation include donor contributions, grants and investment income.

# B. Basis of Accounting

The Foundation's policy is to prepare its financial statements on the accrual basis of accounting; consequently, revenues are recognized when earned rather than when cash is received and certain expenses and purchases of assets are recognized when the obligation is incurred rather than when cash is disbursed.

# C. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures, such as depreciation expense and the net book value of capital assets. Accordingly, actual results could differ from those estimates.

### D. Financial Statement Presentation

The Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Unrestricted net assets include all resources available for use by the Board of Directors and management's discretion in carrying out the activities of the Foundation in accordance with its Bylaws. Temporarily or permanently restricted net assets are restricted by the donor or as matter of law. Temporarily restricted net assets are only expendable for the purposes specified by the donor or though the passage of time. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets. Permanently restricted net assets are generally required to be held by the organization in perpetuity while the earnings on those assets are available for use by the organization to support its activities as specified by the donor. Donors can place restrictions on the earnings from permanently restricted contributions at the time the contributions are made or pledged.

### NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (continued)

#### E. Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted depending on the existence or nature of any donor restrictions. A contribution is recognized as income at the date the contribution is received or pledged.

Non-cash contributions of goods and materials are recorded at fair value at the date of contribution. Contributed services are recorded at fair value at the date of contribution if they are used to create or enhance a non-financial asset or require specialized skills, are provided by someone who possesses those skills, and would have to be purchased by the organization if not donated.

## F. Statement of Functional Expenses

The costs of providing services have been summarized on a functional basis in the statement of activities and detailed in the statement of functional expenses. Certain costs and expenditures have been allocated between program and supporting services based on management's estimates.

The statement of functional expenses is an optional statement for the Foundation because it is not classified as a voluntary health and welfare organization. Some items may have been reclassified.

### G. Income Taxes

The Foundation is a 509(a)(1) publicly supported nonprofit Foundation that is exempt from income taxes under Section 501(a) and 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. The Foundation is also exempt from state franchise or income tax under Section 23701(d) of the California Revenue and Taxation Code and is registered with the California Attorney General as a charity.

The Foundation's management believes all of its significant tax positions would be upheld under examination; therefore, no provision for income tax has been recorded. The Foundation's information and/or tax returns are subject to examination by the regulatory authorities for up to four years from the date of filing.

# H. Cash and Cash Equivalents

The Foundation considers all highly liquid deposits and investments with an original maturity of ninety days or less to be cash equivalents.

### I. Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at fair value. All gains and losses on investments are reported as increases or decreases to net assets.

### NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (continued)

# J. Property and Equipment

The Foundation has not adopted a policy to capitalize purchases of property and equipment as the Foundation has not made any significant purchases of property and equipment to date.

Purchased property and equipment are recorded at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has placed a time or purpose restriction on the asset.

# K. Fair Value Measurements

The Fair Value Measurements Topic of the FASB *Accounting Standards Codification* establishes a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When significant changes in valuation techniques or inputs have taken place, the Foundation may revise an asset's or liabilities position in the hierarchy and recognize the change on the date of the event or change in circumstances that caused the transfer.

## L. Deferred Revenue

Deferred revenue arises when potential revenue does not meet the criteria for recognition in the current period and when resources are received by the Foundation prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met or when the Foundation has a legal claim to the resources, the liability for deferred revenue is removed from the statement of financial position and revenue is recognized.

# NOTE 2 - CASH AND CASH EQUIVALENTS

Cash and cash equivalents as of June 30, 2015, consist of amounts held in interest bearing checking, and money market accounts totaling \$ 1,101,069.

# **Custodial Credit Risk**

Custodial credit risk is the risk that in the event of a bank failure, the Organization's deposits may not be returned to it. The FDIC insures up to \$250,000 of accounts per depositor per insured bank. As of June 30, 2015, the Foundation's bank deposits were exposed to \$0 of custodial credit risk.

# NOTE 3 – INVESTMENTS AND INVESTMENT WITH THE FOUNDATION FOR CALIFORNIA COMMUNITY COLLEGES

Investments are presented in the financial statements at their aggregate fair value. The fair value of investments at June 30, 2015, is as follows:

					Markets for Identical Observable 1		
Common stocks and options	\$	5,462	\$	5,462	\$	-	
Mutual funds		2,486,262		2,486,262		-	
Certificates of deposit		206,120		-		206,120	
Total Investments		2,697,844		2,491,724		206,120	
Investment with FCCC		258,275		_		258,275	
Total investments and		230,273				230,273	
investment with FCCC	\$	2,956,119	\$	2,491,724	\$	464,395	

The investment with the FCCC is measured using level 2 inputs including the allocable share in the market value of the underlying investments held by the FCCC.

The following schedule summarizes the investment return and its classification in the statement of activities for the year ended June 30, 2015:

Net appreciation (depreciation)	\$ 189,299
Interest and dividends	49,423
Total investment income	\$ 238,722

#### **NOTE 4 – CONTRIBUTIONS RECEIVABLE**

Contributions receivable as of June 30, 2015 total \$117,333. The amounts represent unconditional promises to give. The Foundation has not historically had difficulty collecting amounts due from donors; therefore, no allowance for uncollectible accounts has been recorded.

### **NOTE 5 – ENDOWMENTS**

### **Named Endowments**

The Foundation will establish a named endowment fund at the request of a donor for a minimum initial permanently restricted gift of \$25,000. Following the creation of the fund, scholarships, grants, and/or awards will be disbursed from the earnings on the endowed funds and in keeping with the donor's designations.

The Foundation's Board of Directors is charged with the responsibility for management of the endowed assets. To assist in carrying out this duty, the Foundation has adopted an investment policy that prioritizes preservation of capital, long-term growth, and adherence to the prudent person investment philosophy. To enact this policy, the Foundation's investment strategy emphasizes total return, assuming a level of risk consistent with reasonable and prudent investment practices for such funds.

The Foundation's Board of Directors feels the policy is in compliance with the Uniform Prudent Management of Institutional Funds Act (UPMIFA), enacted by the State of California in 2009, to ensure the prudent management of endowed funds in the disbursement of current earnings in support of the College, and to meet future needs established by the donor. The Foundation classifies as permanently restricted net assets (a) the value of endowed gifts as of the date of the original donation, and (b) subsequent gifts to a named endowment fund, less distributions that draw the fund balance below its previously endowed balance when the Foundation deems it prudent to make such distributions. Earnings on endowed funds are classified as temporarily restricted net assets until such time as the Board of Directors adopts a resolution for appropriation.

#### NOTE 5- ENDOWMENTS (continued)

The Foundation has 15 permanently restricted endowed scholarships or programs as of June 30, 2015 and are represented as follows:

	Balance					Balance						
	July	y 1, 2014	Net Increase		Net Increase		Net Increase		Net Increase Net I		June	e 30, 2015

Total endowments	\$	872,199	\$	2,870	\$	1,128	\$	873,941				

# California Community Colleges Scholarship (CCCS) Endowment

In May 2008, the California Community Colleges Scholarship Endowment (the "CCCS Endowment") was launched via a gift of \$25 million from The Bernard Osher Foundation (the "Osher Foundation") to the Foundation for California Community Colleges (the "FCCC"). The FCCC and California's community colleges were challenged with raising an additional \$50 million through June 2011, for which the Osher Foundation agreed to provide a 50 percent match of up to \$25 million. The purpose of the CCCS Endowment is to provide scholarships for students in California's community college system.

Based on the terms of the agreement between the Osher Foundation and the FCCC, as well as the agreement between the FCCC and the Foundation, all of the funds contributed to the CCCS Endowment, regardless of source, are irrevocable gifts to the FCCC. The Foundation has an irrevocable beneficial interest in the balance of funds contributed for the benefit of students at Cerritos College and the accumulated earnings, which does not include any funds contributed by the Osher Foundation. As of June 30, 2015, the Foundation's beneficial interest in the CCCS Endowment totaled \$258,275.

#### NOTE 5- ENDOWMENTS (continued)

In relation to the CCCS Endowment, this interpretation extends to the earnings on the fund, less distributions for scholarships made in conformance with the aforementioned agreements as determined by the FCCC. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the value of endowed gifts as of the date of the donation, and (b) net earnings on (a) less allowable distributions. Scholarship distributions made from the fund are classified as temporarily restricted income upon receipt of notification from the FCCC as to the amount and date of scheduled distributions.

### **NOTE 6 – NET ASSETS**

### A. <u>Unrestricted Net Assets</u>

Unrestricted net assets for the year ended June 30, 2015 was \$596,284.

## B. <u>Temporarily Restricted Net Assets</u>

Temporarily restricted net assets for the years ended June 30, 2015 consisted of \$2,655,021 related to scholarships, grants and program support.

Donor restrictions satisfied during the year ended June 30, 2015 included \$1,441,212 for scholarships, grants and program support.

### C. Permanently Restricted Net Assets

Permanently restricted net assets for the years ended June 30, 2015 consist of donor restricted endowment assets of \$873,791.

## **NOTE 7 – RELATED PARTIES**

# **Cerritos Community College District**

As described in Note 1, the Foundation's purpose is to support the College's students and programs; therefore, transactions between the Foundation and the College, College personnel, students at the College, and programs of the College, are expected. Per the Foundation's Bylaws, certain College personnel serve as ex-officio members of the Foundation's Board of Directors by virtue of their position at the College.

In exchange for support that the Foundation provides to the campus programs, the College contributes to the Foundation some portion of salaries and related expenses incurred and paid by the College on behalf of the Foundation.

# **NOTE 8 – FUNDRAISING EXPENSE**

Fundraising expenses consist largely of operating special fundraising events and costs associated with communicating with potential donors. Total fundraising costs were approximately 54% of funds raised for the year ended June 30, 2015. The schedule below presents fundraising expense costs and funds raised prior to netting the cost of direct benefits to donors.

Hall of Fame dinner	\$ 38,188
Golf	38,073
Total fundraising costs (A)	\$ 76,261
Contributions	\$ 103,839
Special events revenue	 37,920
Total funds raised (B)	\$ 141,759
Fundraising expense ratio (A/B)	54%

#### **NOTE 9 – CONTINGENCIES**

The Foundation may be subject to various claims, legal proceedings, and investigations covering a wide range of matters that arise in the ordinary course of business. In the opinion of management all such matters are adequately covered by insurance or by accruals, and if not so covered, are without merit or are of such kind, or involve such amounts, as would not have a significant effect on the financial position or results of operations of the Foundation if disposed of unfavorably.

## **NOTE 10 - CONCENTRATIONS**

The Foundation conducts operations primarily in Southern California and, therefore, is subject to risks from changes in local economic conditions. The Foundation also receives a substantial amount of donated services from the Cerritos Community College District.

### **NOTE 11 – SUBSEQUENT EVENTS**

The Foundation's management has evaluated subsequent events for the period from June 30, 2015 through December 1, 2015, the date the financial statements were available to be issued. Management did not identify any transactions that require disclosure or that would have an impact on these financial statements.
